With the skills and the opportunity to succeed, there's no limit to what you can do.

What Is Year Up?
Year Up is an intensive, one-year program that combines hands-on skill development, college credits, and internships at some of America's top companies, preparing students for success in careers in IT or Financial Operations, and in higher education. 84% of our graduates are employed or attending college full-time within four months of graduation, and earn an average of $15 per hour, or $30,000 per year.

Am I Eligible?
You can apply to be a Year Up student if you are:
- 18-24 years old
- High school graduate or GED recipient
- U.S. citizen, permanent resident, or have an employment authorization card
- Available 5 days a week (Monday-Friday) for the full year of the program
- Highly motivated to learn technical and professional skills
- Of low to moderate income.

What Does It Cost?
Nothing. The only investment we require is your time and commitment to success. In fact, Year Up students receive a stipend throughout the life of the program. Because we believe that everyone has the potential to succeed, that's our investment in you.

When Do Classes Start?
Classes begin in March and September of each year. Applications are considered on a rolling basis until the class is filled. We encourage you to apply early as space is limited.

How Do I Begin?
Submit an Interest Form. Take five minutes to let us know you're interested in applying. You can find it online at www.yearup.org/apply or at our office.

Attend an Info Session.
Once you have submitted an Interest Form you will receive an email invitation to attend an upcoming Info Session.

Begin an application. At the Info Session you will have the opportunity to begin your application and learn about your next steps.
